Motioned by: Evelyn Morris

Seconded by: Saralene Yazzie

Vote: in favor, Opposed, Abstained. Motioned Carried.

Sherylene Yazzie : On the CSC she is asking that Mr. Pernell Halona, Council Delegate. She is asking why and has been said that she left due to relieve the Drama and also said that community members were asked to bring food to get on a list. She is asking why the hiring process took too long. And dropping the ball and that DCD is not doing their jobs. So, she doesn't want her to come back and worried about the performance and the customer service.

Mr. Plummer is explaining the process of the hiring.

Mr. Leroy Beyal is asking about the community to get a resolution.

Mr. Benally – Wants to know why is this has to be on a resolution unless this is a personal problem. This whole entire meeting is about

Evelyn Morris – She was not at the Planning Meeting she saw her work and work great and sent out email. She knows their was a lot of personal issue. She work good and all her work was great her work on paperwork and documents and she did a lot of work here at the chapter. She totally pushed a lot of paperwork for us.

Harrison Plummer – He did cautioned the community members not to bring up personal quotes.

Sherylene Yazzie – She has been asking on the Housing Discretionary for months and she did not get it and never got an email and she has plenty of issues and has turned into the office of ASC. And one person was Mr. Leroy Beyal for complaining and told her about these issues.

Shirleen Joe – A lot of the information is relayed as hearsay as an example she used us as examples. Everyone is being pinpointed and nowhere is the AMS and where is the transparency and where is the black and white. A while back everyone was told that the officials had no role in the administration, but it is on the floor her name is on the agenda and she knows a lot has happened. She could say a lot but she is being confidential. There is more to this issue. Talking about her is unfair here at the chapter. There is a resolution on the previous minutes to get Mr. Halona off the Council Delegate so how is this resolution going to passed.

Harrison Plummer – He is telling the community by cautioning the audience

Laura Ike – She told us how or we going to put our hands into the cookie jar. She saw it in 2017 and several

Ms. Larris Manuelito- Wanting to know where were the complaints sent to? And where were they sent and what kind of results would make us happy.

Sherylene Yazzie – She stated that the complaints were sent to the said person and has copies. The community sent several resolutions sent to ASC and why plus why and how did the hiring process take. The only issue is how did and or why did the financial report take forever. She never brought us any reports.

Casey Begay – WE do not need the number 6 & 7 so he is asking for a Demand Letter to Mr. Johnathan

I HEREBY certify that the foregoing minutes was duly read into the record and considered by the Coyote Canyon Chapter at a duly called Chapter meeting at Coyote Canyon, (Navajo) New Mexico at which a quorum was present and approved the aforementioned minutes.
